Customer Satisfaction Index in Mala Gurudharmam Chits Ltd (2011 - 2015)

Gurudharmam Trading Company Ltd, our new venture , aims at active participation in retail markets.

The educational activities are also planned to be provided by opening educational institutions like a Nursing college associating upcoming project Gurudharmam Mission Hospital Ltd, Arts and Science college and Residential schools. The trust is also providing educational loans to eligible candidates for their studies through the finance wing of Gurudharmam.

Gurudharmam is extending our reach to healthcare sector through ,
Gurudharmam Mission Hospital Ltd , Mala.

Our hospital will be furnished with 100 plus beds and multiple specialty services. The hospital will have all quality standards that are meant to healthcare services (NABH, ISO). These will not only improve the quality of healthcare service , but also will help to make a welcoming space for medical tourism in future . Implementing NABH standards and accreditations will help to implement Cashless schemes to all patients.

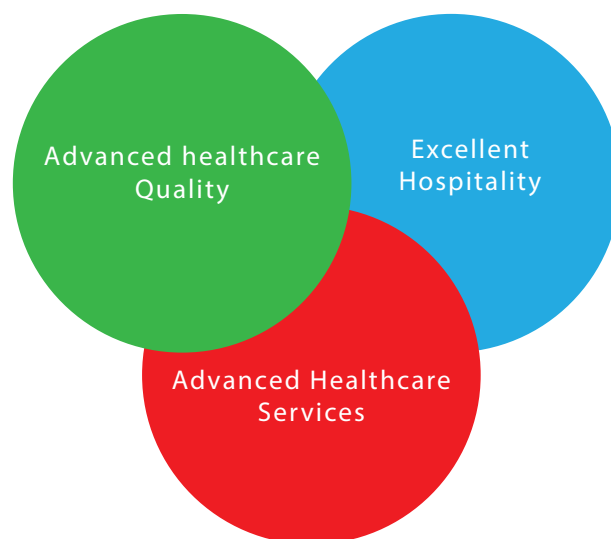

National Accreditation Board for Hospitals & Healthcare Providers (NABH) is a constituent board of Quality Council of India, set up to establish and operate accreditation program for healthcare organizations. The board is structured to cater to much desired needs of the consumers and to set benchmarks for progress of health industry. According to Insurance Regulatory and Development Authority of India (IRDAI), healthcare providers offering cashless services for allopathic treatment shall meet with pre-accreditation entry level standards laid down by NABH.

Gurudharmam Mission Hospital project is designed with excellent business strategy by adopting Japanese methods of Quality Implementation which will help to maximize Return on Investment (ROI) and provide advanced quality of services.

Mission: Gurudharmam will improve the quality of life of patients by delivering innovative, patient centric quality of care and wellness of communities with health education and scientific technology implementation.

Vision: The vision of the hospital is to deliver reliable care to each patient irrespective of their category across the hospital by adopting healthcare quality standards.
